

Some information regarding COVID-19 and Meadow-Vale Campsites:

At this point, we plan to open May 8, 2020. That being said, being able to host guests is not a license for us to resume normal operations.

- The pavilion and playground will be closed. The laundry will be open, with reduced hours and limited to one guest at a time. the dump station WILL be open/available.
- Primitive camping and our rustic cabins will not be open/available until further notice.
- RV sites are available with discounts for essential workers, including traveling health care and utility workers.
- Scheduled activities will be canceled/postponed until further notice.
- Guests are required to remain 6' apart, to stay on their sites and avoid socializing in groups with other guests. Outdoor recreation that does not involve interaction with other families is highly recommended.
- No day guests are permitted

Campgrounds are currently considered, "essential services", however this may change moving forward if we do not comply with the guidelines concerning the COVID-19 pandemic. The failure of campgrounds to enforce measures to mitigate the spread of COVID-19 will result in campgrounds being closed indefinitely. We understand this may change plans for some of you in light of these restrictions. If you feel you need to alter your reservation, we are asking that you kindly consider changing the dates instead of canceling for refunds. We are a small business that depends on reservations to keep us in operation. In light of the pandemic, we are permitting dates to be changed a year out from the date of reservation. Please don't hesitate to call the office with questions or for more clarification at 607-293-8802. This could all change either way in a moment's notice! We will keep you posted to the best of our abilities. In the meantime, stay healthy and happy (altered) camping!

Thank you,

Matt
